AP U S History Multiple Choice Practice Questions

If the answer is yes, chances are that this answer is not correct. The AP exam does not like to make grand, overarching statements. Check the time period of the question and match it up with the remaining answer choices. Can you eliminate one of your answers because it is outside the time frame of the question? At this point, even if you have no means of elimination, it is in your best interest to guess you've narrowed your chance of getting the right answer down to 50 percent.
