RELATED BOOK :

Criminology Past Present and Future A Critical

It concludes with a prospective look at the future of criminology and criminology of the future. Although the perspective is critical, the author's critique is constructive and he expresses a healthy optimism about the discipline's future and offers several guidelines as to how current deficiencies could be remedied and present gaps could be addressed.

Victimology Past Present and Future Criminologie rudit

Based on this dynamic history and on past and present trends, the paper makes an attempt to identify some likely future developments in victimology. It suggests that a transition from utopian idealism to hard realism will occur, accompanied by growing emphasis on scientific research, particularly qualitative research. It foresees that the need for advocacy and partisanship will decline, and
