### **Innovation vs Efficiency Which Lever Should Business**

Those are dramatic portraits of establishment struggles with simultaneous innovation and efficiency. For others, notably digital native companies with shorter memories, juggling both mandates is more easily achieved because said companies aren't required to balance old models, legacy systems and ancient processes in order to operate. They just adopt the more flexible and virtual models of the day.

### **Innovation vs Efficiency Think Differently**

There is no fundamental conflict between efficiency and innovation. As mentioned in my "3M's Innovation Gene" post on Innovating To Win, the issue at 3M was one of poor execution and management.
