### **Privatization and Development SpringerLink**

It shows that privatization has rarely lived up to the ideal of generating sustainable development. In Part 1 the author looks at the relationship between privatization and development in theory and practice while in Part 2 the case of Jordan highlights the difficulties decision-makers face in implementing privatization.

### **Privatization for Development MIT OpenCourseWare**

Privatization for Development . Introduction: No matter how much the government wants to do it alone, how much the government thinks it can do it alone, the government must realize that this is not very feasible. By government I mean governments all over the world, especially governments in Africa and the developing world. There is an Akan proverb from Ghana that says that when you take a
