### **Refugees the State and the Politics of Asylum in Africa**

How do African states respond to the mass arrival and prolonged presence of refugees? This book answers this question by drawing on recent case studies and examining the politics behind refugee policy in Africa. The implications of this approach are important not only for the study of asylum in Africa, but also for the future of refugee protection.

### **Difference Between Political Asylum and Refugee Status**

Unlike refugees, those seeking political asylum either apply when they reach a port of entry into the United States or after they have already entered, often as undocumented immigrants. The conditions that drive a political asylum seeker are the same as those that cause someone to apply for refugee status.
