Words Shakespeare Invented

Words Shakespeare Invented The English language owes a great debt to Shakespeare. He invented over 1700 of
our common words by changing nouns into verbs, changing verbs into adjectives, connecting words never before
used together, adding prefixes and suffixes, and devising words wholly original.

UC Berkeley English

Contexts we ll investigate include encounters with new-world flora and fauna, the invention of the microscope

and the discovery of the cell, and contemporary debates over plant reproduction and the possibility of extra-terrestrial life. Alongside questions related to medium and genre, we ll consider when the representation of other creatures becomes representation in an almost political
