Slavery Race and Ideology in the United States of America

Race is not an element of human biology (like breathing oxygen or reproducing sexually); nor is it even an idea (like the speed of light or the value of) that can be plausibly imagined to live an eternal life of its own. Race is not an idea but an ideology. It came into existence at a discernible historical moment for rationally understandable historical reasons and is subject to change for similar reasons.

Ideology and Race in American History by Barbara Fields

Ideology and Race in American History Barbara J. Fields. The notion of race has played a role in the way Americans think about their history similar to that once played by the frontier and, if anything, more durable. Long after the notion of the frontier has lost its power to do so, that of race continues to tempt many people into the mistaken belief that American experience constitutes the
