### **Fall 2012 F AP CH3810 3 0A apps eso yorku ca**

The course studies Chinese-American literature from its origins in the mid-nineteenth century to recent times, focusing on fiction and biography. It examines its literary developments, as well as its representative writers and works. Both literary characteristics and socio-historical values of some representative works will be explored in the course. Course credit exclusions: None.

### **UC Berkeley English**

This course will recreate the reading experiences of the nineteenth-century public, examining publishing trends and literary forms in Victorian Britain. We'll explore the rise of mass literacy, the growth of the periodical press, the serialization of novels, the formation of an English-language poetic canon, and the transformation of children's literature. Placing canonical works of Victorian

Fukuda's study of Hamlet took a form of a fiction at first. In 1949, he published a novel entitled Horatio's Diary, which is a psychological novel set in the theatrical world of London during the time of the Second World War, about 1938-41(Works 1. 7-90). The hero and narrator, a Mr. David Jones, is an actor and director at the Old Vic. He used to be famous for his role of Hamlet, but has

### **UC Berkeley English**

Since at least the middle of the nineteenth century, California has occupied a uniquely privileged place in the American imagination. It has been aesthetically mythologized and critically theorized, as the quote from Joan Didion above suggests, as a space in which the utopian promises of the American Dream can be realized as in no other, and, at the same time, where the most sinister
