### **The British Empire**

Whether the British Empire is regarded as a positive force or a negative force in world history is in many ways rather irrelevant, the fact is that it was a transformative force and we should seek to try and understand it in its many and varied forms across the centuries of its existence and throughout its wide expanse.

### **Russian Empire at its full extent in 1864 europe**

British Empire had an all-connecting highway to every part of it's empire - the sea. Travelling from Petersburg to Alaska or Vladivostok was a much harder endeavour. Fur traders going to Alaska literally travelled years to do one single trip. Maritime transport had become much more effective by that time, there were steamers already.
