"The President has been shot" I liked the book a lot, but too much of it was the epilogue. You could've written the epilogue shorter, because then the epilogue wouldn't have added 120 pages to the book.

The President Has Been Shot True Stories of the Attacks

I thought the president has been shot was a great informational book. It is about ten accounts of conspiracies, plans, and stories. The best story in the book was the story of Abraham Lincoln.

President Lincoln had many accounts of trying to be assassinated. A man named John Wilkes Booth finally succeeded. He had been shot at Fords theatre. Overall, this book is very informational and a good read.
